

**DMIII REQUEST FOR ARCHITECTURAL APPROVAL**

Print Name: \_\_\_\_\_ Ph.# \_\_\_\_\_  
DMIII Address: \_\_\_\_\_ Lot# \_\_\_\_\_  
Mailing Address, if different \_\_\_\_\_  
Email: \_\_\_\_\_ Date of Request \_\_\_\_\_

If you have any questions, a committee member will be glad to assist. It is the homeowner’s responsibility to secure any required Pima County Permits. It is helpful to include a note from any neighbors who may be impacted by your project to save time and maintain community goodwill. Submit one copy of this Permit, plus one set of plans, if any. Should your project be denied, you may appeal the decision to the DMIII Board of Directors.

**New Building, Exterior Additions, Exterior Alterations:** Attach a drawing of your lot and elevation (if applicable) showing the location of the proposed house/addition/enclosure/changes. Include distance to all property lines and the paint color and finish (wood/stucco/brick).

**Painting:** Approved color range is: Earth Tone colors and various shades of white. Submit color choice for trim and house with associated paint chips with this request.

**Landscaping:** Attach landscaping plan including location and description of trees, cacti, and/or other types of plants. (Although Arizona State Law does not recognize a property owner’s right to a view, consideration of your neighbor’s views of the mountains may be observed.)
