Two of them will mature in October, the funds will be moved to Savings temporarily until the other one matures in January of 2027 at which time all three will be rolled over into one CD for ease of maintenance. Bill suggested that Tom consult with Edward Jones about a Money Market Account, which might make more interest, vs CDs. A motion was made, seconded, and unanimously passed to approve the Treasurer’s Report.

Debra presented the Architectural report that had been prepared by Suzanne Stadler, Architectural Chair. So far this year only two permits have been requested, and both were approved. A motion was made, seconded, and unanimously passed to accept the Architectural Report.

Debra stated that Coleen Astalos, Social Chair reported to her that about 20 members attended the April Potluck and the next Social would be a BBQ in late October or early November, date and time to be determined. Debra presented an update on active Arizona legislation affecting HOAs which includes Pets & Backyard Fowl, Shade Structures, Uniformed Service Division Flags, Resale Disclosures, Foreclosure, Executive Session, Allied Country Flags, and Marijuana Nuisance. A copy explaining each is attached.

New Business – Debra stated that there are safety concerns among some of the members due to a recent explosion that occurred in a garage in a home on S. San Ray. She read the Investigative Report from the Santa Rita Fire District. Combustibles in a bin caught fire due to molten metal from welding. The fire caused the pressure in a propane tank nearby to increase releasing propane into the garage which mixed with the fire and led to the explosion.

Members' Voice – There was discussion between the Board and several members in attendance regarding the ongoing activities on S. San Ray which are disruptive, create a nuisance, create the potential for a dangerous situation, create the potential to lower surrounding property values, and do not comply with the CCRs. The Sheriff's department has been called and responded on several occasions. Neighbors must stay vigilant and call 911 immediately if they witness or hear anything of a concerning or threatening nature. Seeking advice and direction from the attorney using some of the legal reserve funds was discussed.

There was a motion from the Board, seconded, and unanimously passed to use legal reserve funds to consult with Carpenter, Hazelwood, Delgado, and Bolen law firm of Tucson to address and resolve the issues on S. San Ray.

Deanna, representing SAV, informed everyone of the Monsoon Madness Forum on June 4 from 10am-Noon at CPAC. It is free but seating is limited so you must register to attend. Also, the Dispose-A-Med and Shred-A-Thon, another free event, is on June 6 from 8am-Noon at GV Council parking lot, 555 N. La Canada. Pills, tablets, and caplets only, no cream or liquid. Respectfully Submitted,
